# Vulnerability Assessment for Mortgage, Petrol and Inflation Risks and Expenditure

2001 Census Data Analysis of Sydney

Version Date: 16 June 2008

What would it take to make solo travel in a driverless taxi safe for under 16's?

What in car services would add value to your driverless taxi trip?

In a busy street, how will you know which driverless taxi is yours?

What might you do to make multi-modal trips including driverless taxis and rail or air travel seamless?
