

Media Consent Form

Principal/Head Teacher

Completing this Media Release consent form is a requirement to enable your students teachers and school to be photographed and/or video-recorded and for such images to be used in the wider promotion of this project. Your school is still able to participate in activities even if you do not consent to your image being used for wider promotion. We recognise the cultural views regarding the filming of Indigenous peoples and respect their culture and traditions.

The “Early Engagement: Tertiary Success - Statistics meets Sustainability and STEM” project includes developing educational video clips of the Teacher Workshop and school demonstrations to assist other rural and remote area schools to become familiar with the activities.
