**Student Consent Form for the Research Project:
Early Engagement: Tertiary Success – Sustainability meets Statistics & STEM**

I agree for my child to participate in the above research project and give my consent freely.

I understand that the project will be conducted as described in the Information Statement, a copy of which I have retained.

I understand we can withdraw from the project at any time, and do not have to give any reason for withdrawing.

I consent to my child:

- completing two 8-minute online (anonymous) student surveys in each of July and September, assessing perceptions, attitudes and knowledge concerning Statistics, Environmental Sciences and Sustainability, and STEM, administered by his/her teacher.

I understand that the personal anonymous information will remain confidential to the researchers, except as required by law.

I have had the opportunity to have questions answered to my satisfaction.
